DISABILITY ASSISTANCE PROJECT

The Mission of DAP

“To provide compassionate assistance to individuals, in a respectful manner, throughout every stage of the disability process, by providing open and honest advice and services, meeting individuals wherever they are comfortable and providing assistance in navigating the disability process while maintaining dignity and leveraging community partnerships to provide needed referrals and services.”

Testimonials

“Rose was very kind to me when she met with me. She exemplified professional courtesy with her demeanor and knowledge of the application process for Social Security. She explained everything that had to be done; answered all of my questions and was able to put me at ease regarding the entire process.”

-Brenda R., Client

“I have referred a number of people to you, and everyone returns with the same feedback....’thank you so much for letting me know about the program; Rose was soooo helpful’...”

-Community Service Provider

“I learned how to best advocate for my clients.”

“You provided a through overview of SSI/SSDI. Your presentation skills are excellent.”

“Rose was clear in answering questions and so knowledgeable.”

-Sacred Heart Social Worker Training

Free Services Provided To Clients

- Free Status Checks
- Free Online Appeals
- Free Consultation with a Lawyer
- Free DSHS Status Checks and Applications
- Free Referrals to Community Service Providers

Provider Trainings

DAP also provides free trainings to community service providers and medical professionals on the basics of Social Security Disability and DSHS benefits. Trainings are individually tailored to meet the needs of the agency or provider. To schedule a free training, please contact Rose at (509) 558-8315

Community Partners

Community partners are a vital piece of our project. No problem only has one facet and no one agency can assist an individual with all of their challenges. Therefore, it is crucial that we work together to maximize our resources and effectiveness.

DAP partners with and/or makes referrals to Catholic Charities, Transitions, Spokane Valley Partners, UGM and many more...

Questions?

Please feel free to contact us with any questions about services we provide or about the social security disability process in general.
